

Name: \_\_\_\_\_

# Antonyms

Antonyms are words that have opposite meanings.

Examples: old—new    fast—slow    up--down

**Directions:** Read the story below. Rewrite the story by replacing each underlined word with a word from the list with an opposite meaning.

closed	cool	fat	smooth
her	scared	she	
tame	under	full	

## Sam and the Cat

Sam was brave today. He found a thin, wild cat that was hungry. The cat opened its mouth. Sam put his hand over the cat's face. The cat licked Sam with its warm, rough, tongue.
