

Students will demonstrate a common activity, using descriptive language.

Format: Students will work individually to write and prepare a **Demonstration Talk** about a common activity.

*The demonstration needs to include:*

1. The reason you chose to demonstrate a particular activity.
2. Why we should know about the demonstration.
3. Complete instructions, including materials needed and techniques used.
4. A Summary of main points in demonstration.

You will need to bring the physical items to include in your demonstration. For example if you are packing a suitcase, you will need the case and items to place in it.

Possible Demonstrations:

How to decorate a Christmas tree

How to pack a suitcase

How to bake a cake

How to play cards

How to choose a job

All Demonstration topics must be approved by the teacher, before planning can begin. Please choose carefully, as once it has been approved, the topic cannot be changed.

Topic due :

Due date of Demonstration :

The Demonstration needs to be 2 minutes in length.

Grading :

Introduction :	/10
