

# A Shape Mobile

Make a colorful Mobile for your room.

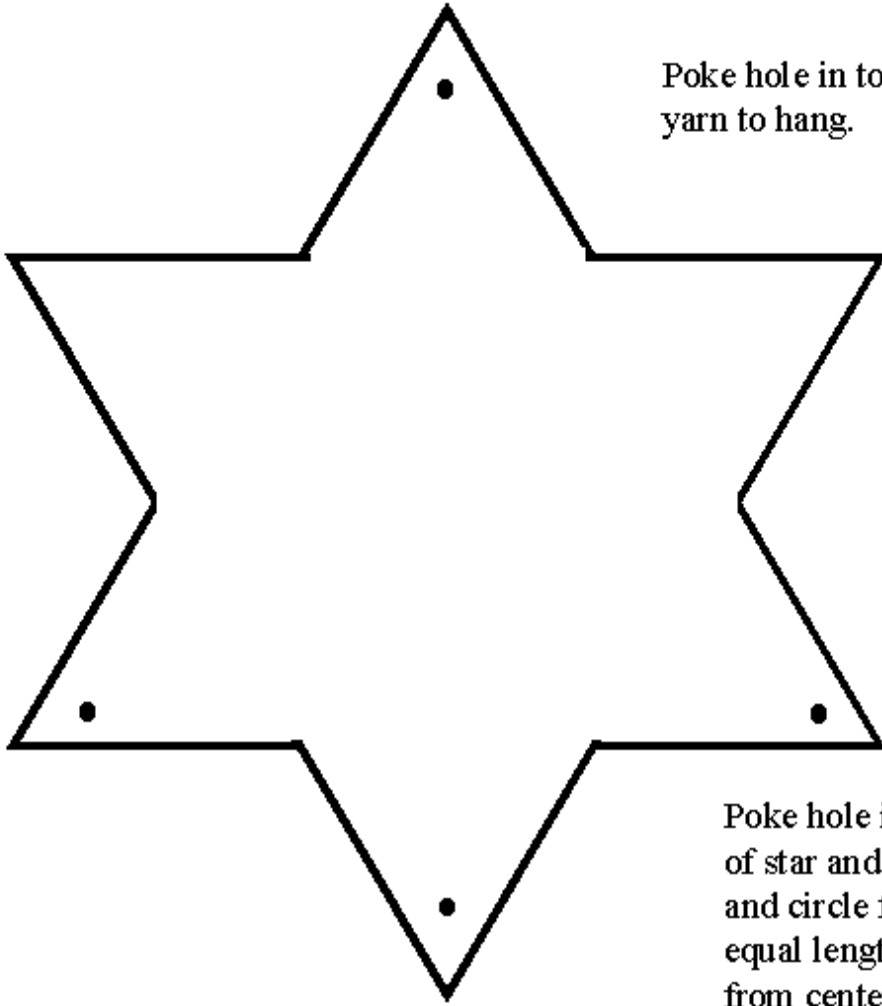

As you make the Mobile, can you say the name of each shape?

What color will you make each shape?

You can even make copies of each shape and have a larger mobile.

Have fun learning about shapes and colors!

Poke hole in top and thread  
yarn to hang.

Poke hole in each of three bottom points  
of star and in each shape. Hang square  
and circle from edge points of star with  
equal lengths of yarn. Hang Triangle  
from center point of star with longer  
length of yarn.
