

**snake**

**snake**

**snake**

**snow**

**snow**

**snow**

## A Matching Game

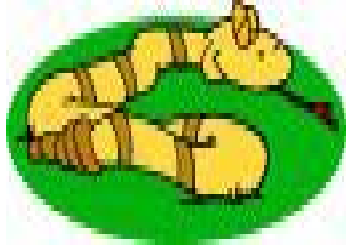

Print the 2 pages on thick card or paper.

Cut out each word and picture. Place them face down. Turn two over at a time. Does the word match the picture?

You can keep the cards.

Continue turning over the cards until you have matched them all.

Now it is your turn to write the words:

**This is a snake.**

**I see snow.**
