

Individual Participation Guide

First, rate yourself in each area. Then have each of your teammates rate your participation. If they agree with your self assessment, they need only initial the rating you recorded. If any teammate disagrees, that teammate should record the score and present the rationale on the back of this rating sheet.

	Almost Always	Often	Sometimes	Rarely
TEAM PARTICIPATION	3	2	1	0
Participated in discussions Did fair share of work Allowed others to work				
GROUP PROCESS				
Helped plan how to accomplish task Helped identify and solve problems Summarized and clarified Praised efforts of others Compromised and worked for consensus				
RESPONSIBILITY				
Came to class on time Came to class with materials Did what I said I would do
