

Fire Gear

Circle the things that a firefighter uses when putting out a fire. Then answer the questions.

 helmet	 paintbrush	 walkie-talkie
 needle and thread	 boots	 air pack

1. This keeps the firefighter's head safe.

2. This helps the firefighter breathe.

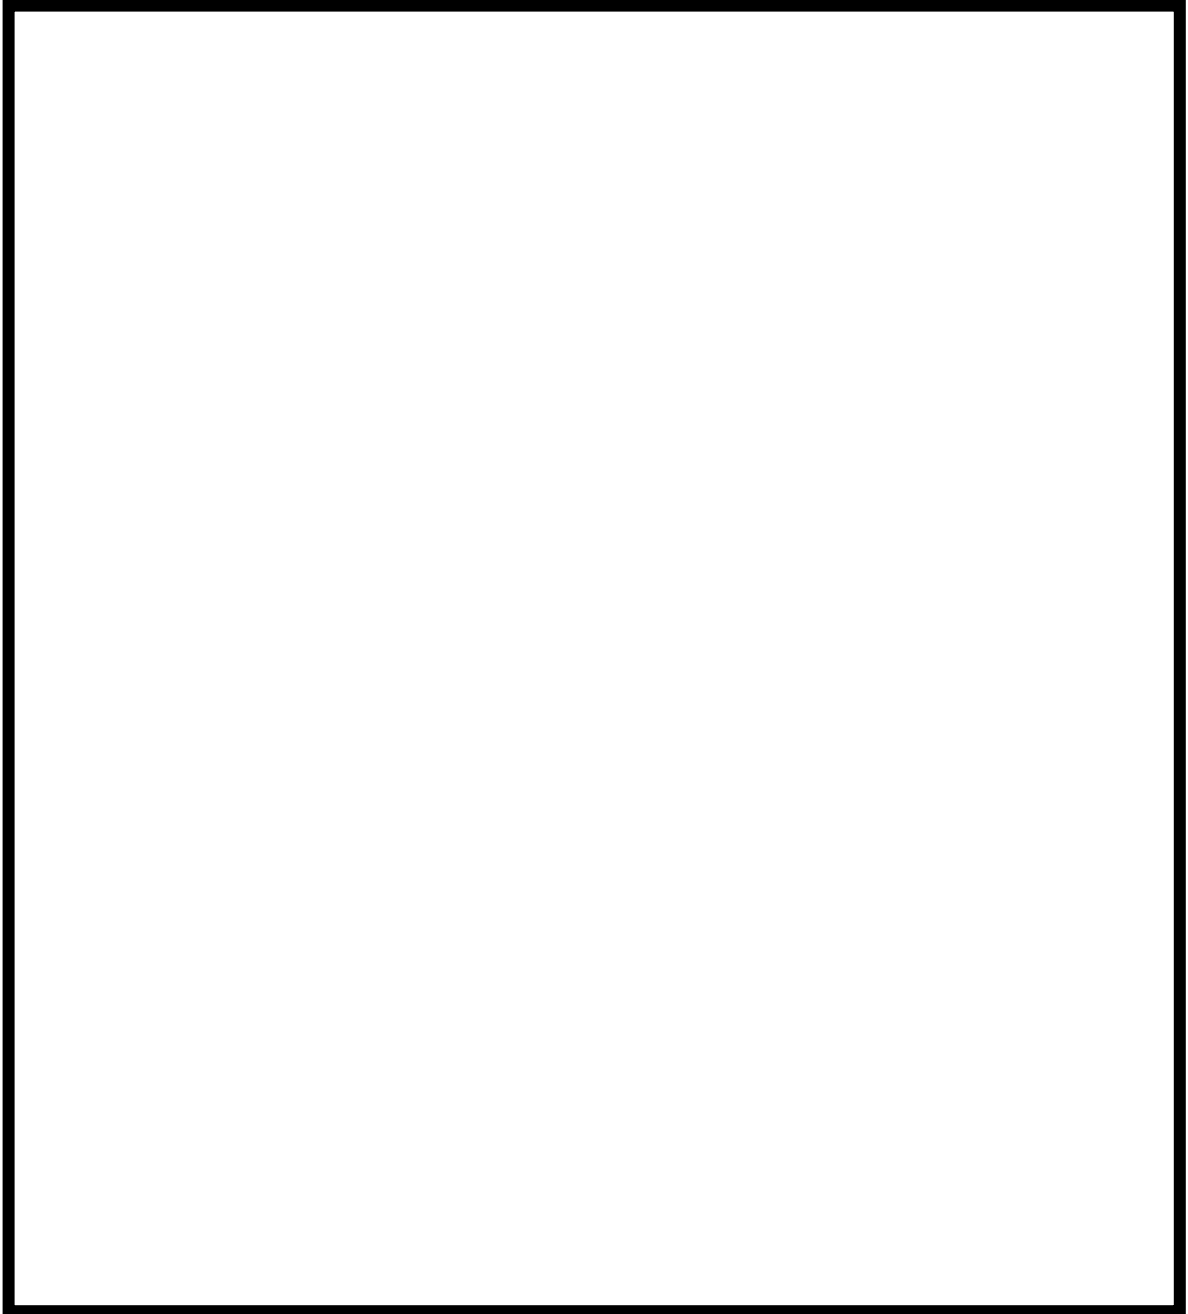

3. This helps the firefighter talk to the crew.

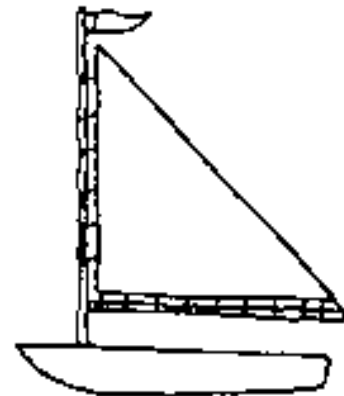

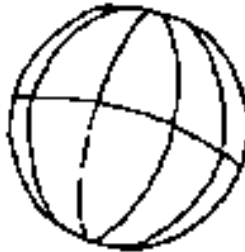

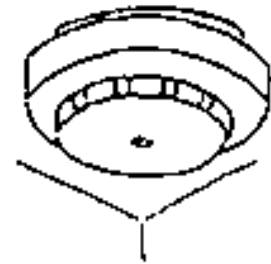

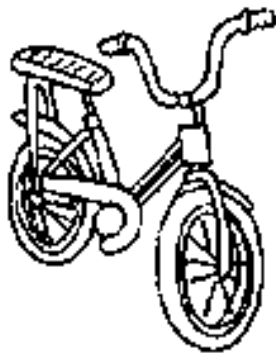

4. These protect the firefighter's feet.

Draw a Firefighter fighting a fire.

What will the firefighter wear?

What will the firefighter use to fight the fire?

**CIRCLE THE THINGS
THAT ARE NOT TOYS!**
